

HOST SITE CHURCH COMMITMENT WITH ADMINISTER JUSTICE

A Gospel Justice Center demonstrates significant care and concern to a community unable to access legal counsel. The help of a lawyer along with the hope of the gospel yields significant kingdom impact.

The commitments below enable us to work together to seek gospel justice through the local church.

ADMINISTER JUSTICE COMMITS TO:

- > Provide materials to guide you in finding a Justice Champion and recruiting volunteers.
- > Present the model to the church (virtually) if requested.
- > Train and support all center volunteers.
- > Answer questions within 24 hours.
- > Provide materials for promoting the center once it is active.
- > Provide client feedback to the Justice Champion.
- > Feature your center on our Get Help page.
- > Maintain a webpage for client booking and linkable to/from your church website.

OUR CHURCH COMMITS TO:

- > Find a Justice Champion who will lead the center and sign Articles of Association with Administer Justice (so all center volunteers will be covered under malpractice and liability insurance).
- > Provide space (usually two private rooms, one for each Attorney and Client Advocate, plus a lobby for welcoming people) once a month for four hours, often a Saturday morning from 8:30 – 12:30.
- > Provide access to a printer and wifi, if available.
- > Promote the center within the congregation once active.
